Baker - Sir Benjamin F.R.S. (1840 - 1907)
Engineer - Forth Bridge
Assuan dam.

"TELEPHONE Nº 33, WESTMINSTER."
TELEGRAMS "OLICIST LONDON."

2, Queen Square Place,
Queen Anne's Mansions, Westminster, S.W.

Dec 13th 1905

Dear Arnold,

J. S. Moody presents his case
to the policeman at Charing X
Works for Mr. Tempest he
will be let in to see his workmate.
It is less than the average in all
essential members & is not a really
instructive example such of could
be seen elsewhere of reduction of
strength by wasting.

Yours ever
B. Baker
